Re: Correction to SHHH's Comments responding to WT Docket No. 01-108. AT&T Wireless Services, Inc. (AWS) Petition for Reconsideration

Dear Ms. Dortch:

Self Help for Hard of Hearing People, SHHH, hereby submits a corrected version of its original comments on the above proceeding submitted March 28th, 2003.

Please note that we inadvertently referred throughout our comments to AT&T as the petitioner. We should have made clear the petitioner was AT&T Wireless Services, Inc. (AWS), a totally separate company.

SHHH wishes to set the record straight to avoid confusion.

Thank you,

Brenda Battat
Director of Public Policy and State Development
